

Better than a bequest - for you and for us.

Bequests are popular, but there's now an even better way to give a lasting gift to Family Service Agency. With the typical bequest, you give a dollar and we receive a dollar. But with the Legacy Life program, you can multiply the ultimate size of your donation by two, three, four, five times – or even more.

How? You take out a life insurance policy, naming Family Service Agency as the policy owner and beneficiary, and make your donation to us. We then use your donation to pay the premiums on the life insurance policy. Here are some examples:

A typical	Could give a cash gift of	Or use that same amount, and give a Legacy Life gift of approximately
50 year old woman	\$2,465 a year for 5 years and end up giving about \$12,325	\$50,000
50 year old man	\$4,223 a year for 5 years and end up giving about \$21,115	\$100,000
Couple age 60	\$14,027 a year for 5 years and end up giving about \$70,135	\$250,000

Payments are most often spread over 5 years, or paid in one lump sum.

The power of legacylife

- Magnifies the amount of money Family Service Agency receives – usually by many times the amount of your donation.
- Your donation qualifies for significant tax benefits not typically available with a cash bequest.
- Unlike a cash bequest, a Legacy Life gift does not take away from your estate or heirs' inheritance upon death.
