JOIN US IN BUILDING A STRONGER COMMUNITY

FOUR REASONS TO SPONSOR

Make a difference.

One in five Santa Barbara County residents lives in poverty. By partnering with us, you can help families access safety net programs, reach mental health goals, and build brighter futures.

Show your corporate heart.

Sponsorship of this inspiring community event offers an opportunity to show your support for programs that empower low-income children, families, and seniors families in our area.

Gain brand visibility.

Sponsors enjoy comprehensive advertising and event recognition opportunities that reach event attendees in addition to more than 1,000 of our supporters and constituents.

Help lead the way.

When you sponsor Dreams in Bloom, you are leading the way in reducing the negative effects of poverty and benefitting the community.
